The Arts & Culture Award

This award recognizes an organization, event or initiative that has had a significant and lasting impact on downtown's arts and cultural life, stimulates economic growth, encourages tourism, and enhances downtown's cultural image.

Straz Center's Statement:

"While the COVID-19 pandemic has presented the most significant challenge in modern history to performing arts organizations, our artists, and arts workers (or StrazFam), demonstrated enormous resiliency, discovered new ways to bring people together through the transformative power of the arts. We are honored to be recognized as an "Arts & Culture" finalist and are grateful to our beloved Tampa Bay community."
