The Private Sector Project Award

This award recognizes a private sector project that has made a positive and significant contribution to Downtown; and has demonstrated a commitment to assist in revitalizing the Downtown area.

WeWork Place's Statement:

"When we learned we had been nominated for the Urban Excellence Awards, we were thrilled. Since our opening in December 2019, being a part of Tampa's downtown community has been so fulfilling. In 2020, providing safe workspace solutions was our priority, and we feel lucky to have served the Bay area during such a trying period. At WeWork Place, we are eager to continue leaning into the exciting conversation happening in our community around innovation, entrepreneurship, and economic growth, allowing us to better support the businesses of Tampa Bay in new and unique ways. We look forward to continuing our involvement with our community here and watching Tampa Bay continue to soar."
