

## SUMMER SERIES MARKET VENDOR APPLICATIONS

The Summer Series Market at Curtis Hixon Waterfront Park offer Summer shoppers an affordable and unique retail experience with local sellers of garments, personal products, artisan goods, gourmet packaged foods, decor, and more. Thanks to the generous support of PODS® Moving and Storage, each vendor is held in a PODS® container in a market-style layout. The shops are semi-permanent structures that will require interior décor by the shop owner. Shops accepted will reflect a mix of local, imported, artisan, and/or manufactured goods from merchants who are looking to elevate their brand in the community. Merchandise will stay securely locked in your shop for the duration of your vending period.

Shops are leased on a weekend basis, as space permits. Vendors accepted to participate will be notified the beginning of July 2023.

**Applications are due Monday, June 5, 2023**
