

Frequently Asked Questions

The "FAQs"

How do I purchase my skating tickets?

Tickets are available online, on a first-come/first-serve basis. Tickets may be purchased at the ice rink, but quantities may be limited. Those who attempt to purchase tickets in-person will be shown a QR-code to purchase tickets on their smartphones; if the present time is fully-booked, the guest will be shown other available times to skate. If you are unable to purchase your tickets on a smart device, you may still purchase your tickets on-site via traditional credit card transaction.

To guarantee admission, we highly recommend purchasing your tickets online ahead of time.

When can I come to skate?

Check the public operating hours on this website. Tickets may be purchased online in advance or on-site. Your reservation is only valid for the time(s) and date(s) purchased. Tickets are for 90 minutes of skating time, which begins at the time of check-in.

Can I get a refund on my ticket once I have purchased a ticket?

No, your ticket is non-refundable.

Can I use my ticket on a different day?

Customers have the option to reschedule their reservation via their Reservation Management Page.

What if I buy a ticket and the weather is unfavorable?

We continue to skate in light rain or drizzle. If severe storm conditions are expected, resulting in a venue closure, all ticket purchasers will be notified by email and have the opportunity to reschedule or be refunded.
